Application for Employment

I certify that all statements made by me on this application are true and complete to the best of my knowledge and without consequential omissions of any kind. I also certify that I have not knowingly withheld any information that would affect this application unfavorably. I understand and agree that any false statement or omission with respect to the information required on this application or on any document used to secure employment shall be grounds for refusal to hire me or for withdrawal of any offer of employment made to me or for the termination of my employment by the Agency, regardless of the time lapse before discovery.

I authorize the Agency to investigate all matters covered by this application as well as statements made by me on this application. I also authorize my previous employers, schools or former supervisors to disclose information they may have regarding my suitability for employment and the matters addressed on my application, and release them from any liability arising out of their disclosure of such information. I also authorize any appropriate licensing board to release full information concerning my licensure status and my licensure history. I further release the Agency and its employees and agents from all liability for damages whatsoever if an employment offer is not tendered to me, or is withdrawn, or if my employment is terminated because of the results of the investigation of this application.

The AGENCY will not discriminate in any employment decision or in any program participation against an otherwise eligible individual on the basis of race, color, religion, creed, gender, pregnancy, national origin, ancestry, age, sexual orientation, marital status, medical condition, disability, veteran status or any other factor protected by federal, state or local law.

I understand that if offered employment by the Agency, the offer is contingent upon successfully completion of background screening. I also understand that if I am employed in a patient care capacity, I may be required to submit a certificate of health or physical exam on or before my start date certifying that I have been examined within the last 12 months and found free of all communicable diseases spread by casual contact, including TB.

I agree to immediately disclose to the Agency any debarment, suspension, exclusion or other event that makes me ineligible to participate in any Federal healthcare program, or receive a government contract.

I understand that patient care staff will be assigned to perform services within the competency of their training credentials. Failure to accept or carry out such assignments shall be considered cause for immediate dismissal.

I acknowledge that, if employed, these rule and policies that govern my employment are not all inclusive, that they are supplemented by the employee handbook and other policies, procedures, and management standards, and that I am required to abide by all the Agency rules and policies.

I understand that nothing contained in this application, or conveyed during any interview that may be granted or during my employment, if hired, is a contract between me and the Agency. I understand and agree that if I am employed, my employment is for no definite or determinable period and may be terminated at any time, with or without prior notice, at the option of either myself or the Agency, and that no promises or representations contrary to the foregoing are binding on the company unless made in writing and signed by me and an officer of the Agency.
